

INTEGRATED NATURAL RESOURCES MANAGEMENT PLAN

for

MARINE CORPS BASE and
MARINE CORPS AIR STATION
CAMP PENDLETON

DRAFT FINAL

and

PUBLIC REVIEW DRAFT

MAY 2001

“The principle purpose of DoD lands and waters is to support mission-related activities. Those lands and waters shall be made available to the public for educational or recreational use of natural and cultural resources when such access is compatible with military mission activities, ecosystem sustainability, and with other considerations such as security, safety, and fiscal soundness.”

DoD Instruction 4715.3
